The United Way is the best way to give because...

It really helps those who need it the most. Your donation helps people in Kerr County and the Hill Country...our neighbors and friends. Your money is distributed to the 23 local agencies that applied for assistance from the Kerr County United Way. These same agencies use the money to help people in our immediate and outlying communities.

*This brochure was made possible by:
Kerrville Daily Times and Peterson Regional Medical Center*

Even though we ask only once a year for your United Way pledge or contribution, please remember that your one contribution is hard at work, making a difference in countless lives, right here in Kerr County every day.

How your donation can help Kerr County citizens

- \$1,000 supports a mentor/mentorship program.
- \$500 provides counseling to one family for over two years.
- \$250 buys two weeks of child care for a toddler.
- A \$100 donation pays a scholarship for a 4-H teenager to attend a leadership retreat.
- \$100 buys 48 comfort kits containing toiletries for disaster victims who have lost their homes.
- \$50 provides food for two people for 5 days.

Above are just some of the examples in which your money helps citizens in the service areas of the agencies we support.

Giving is a Personal Matter

The amount to give or pledge a year for the urgently needed services of 23 local agencies depends on your own circumstances...it is a personal decision. Remember though, every one of your dollars counts and is important. Because of you, tomorrow we can teach an adult to read, provide low cost child care, feed an elderly adult and provide clothing, shelter or help to those in need.

One contribution...Countless results.
